

HORTICULTURE INTERNSHIP PROGRAM

THE OLDE FARM is an exclusive, private golf club in Bristol, Virginia. Featuring one acre of vegetable and flower gardens, The Olde Farm boasts a gourmet dining experience that goes from farm to table with the produce that is cultivated on-site.

Fruit trees and honey production from our bee hives also contribute to the exclusive experience at The Olde Farm.

All gardening and landscaping is done by the Horticulturist and college interns. Interns will work side by side with the Horticulturist in all operations, including farm-to-table crop production and harvest as well as landscaping, beekeeping, and floriculture.

INTERNS earn hourly pay and work full time with flexible hours from May to August. On-site housing is provided.

Deadline for consideration is April 1st.

To apply, please send your resume to Horticulturist David Arnold at darnold@theoldefarm.com. If you have any questions, please feel free to email those as well.
