Golf Course Maintenance **INTERNSHIP**

A QUALITY TURFGRASS INTERNSHIP is vital to your future success. The team here at The Olde Farm firmly believes in teaching future turf grass managers the tools necessary to be successful.

Our goal is to provide interns real life experience of managing cool season turf grass in the transition zone and provide the tools necessary to develop an overall skillset that will set you apart from others - both in the classroom and out in the field.

Meet the Team

COREY LANDON
Golf Course Superintendent

JASON DITTO
Assistant Superintendent/
Irrigation Tech

NATHANIEL FULLER
Assistant Superintendent

DERRICK JOYCE
Equipment Manager

DAVID ARNOLD
Horticulturist

Golf Course

Originally prime farmland in Southwest Virginia, The Olde Farm was transformed into a premier golf destination when acclaimed architect Bobby Weed was commissioned to design an 18-hole course. Opened for member play in 2000, the course stretches 7,119 yards from the championship tees and even features a distinctive 19th hole—perfect for settling friendly wagers.

The course offers a full cool-season playing experience, with L-93 bentgrass surfaces complemented by Kentucky bluegrass and tall fescue roughs. Now entering its third decade, The Olde Farm continues to evolve, with thoughtful renovations to bunkers, tees, and greens planned for the future.

The Orchard Course

The 9 hole Par 3 course known as The Orchard Course was built and designed by Bobby Weed in 2013. The design of the course allows one to play in order or in a cross country routing. It is the optimal place for members to hone their short game skills.
